Frequently asked questions

WHAT LEVEL OF SUPPORT DO YOU PROVIDE?

Our support ratio is one chaperone for every 3 or 4 travelers. Trips Inc.™ chaperones assist travelers with medications, spending money, and prompts for bathing, hygiene, dressing and using the restroom. Travelers who require any hands-on personal care for hygiene or medical reasons will need to bring a personal care provider for their safety and well-being. We assess the needs of our travelers before each trip to ensure we have the best support plan in place for them to travel safely.

CAN WE SEND A CARE PROVIDER WITH OUR TRAVELER WHO HAS EXTRA SUPPORT NEEDS?

Absolutely! We have many travelers who bring their own care providers. It is the traveler's responsibility to provide and pay for their care provider to go on the vacation. Care providers pay the same all-inclusive package price as the traveler. Travelers and their care providers will be upgraded to a private room on most trips.

ARE YOUR VACATIONS WHEELCHAIR ACCESSIBLE?

Several of our trips are wheelchair accessible. Lift vans are also available at some destinations. Please note the symbols next to the vacation descriptions. Wheelchair not included.

Since we serve travelers from every state in the country, we will arrange to meet you at, or en route to, our final destination. For our travelers who fly unaccompanied, airline-assisted gate transfers will be requested for any flight connections. Plus, airline gate assistance passes can be obtained to walk travelers through airport security and directly to their flight departure gate.
